MIRAGE

Introducing the NEW RICON® Mirage® F10X™ Wheelchair lift

The Mirage F10X provides
maximum baggage space
automatic convenience and the
security of the Ricon Safety Zone.

THE INDUSTRY STANDARD FOR OVERALL PERFORMANCE, RELIABILITY & VALUE

The Ricon Mirage F10X is the only low-profile motorcoach wheelchair lift providing maximum space efficiency, automatic convenience and the security of the Ricon Safety Zone. The exclusive, floor-mounted F10X cassette design yields a large, horizontal luggage bay area that enables drivers to quickly load more suitcases and larger parcels from both the curb and the street side of the coach. With the press of a button the Mirage F10X automatically deploys, lowers, raises and stows - the latest innovative example of why Ricon Corporation is the world leader in motorcoach accessibility.

PERFORMANCE, RELIABILITY AND VALUE

The Ricon Mirage F10X motorcoach wheelchair lifts provide secure and reliable access while setting the industry standard for safety, performance, value and ease of use. These innovative lightweight designs feature:

- Easy operation and maintenance
- Multiple dimension options providing versatility between customers
